Dear Parents/ Guardians,

RE: Unit Training / Remembrance Weekend.

This weekend we are holding a Unit Training Weekend. The weekend commences on Friday 6th November and finishes at approximately 1400hrs on Sunday 8th November, after the Remembrance Parade.

The weekend will focus on various Sea Cadet training aspects as well as Football training in preparation for the District 5 a-side competition and a swim session at the local leisure centre to ensure all cadets hold or have the opportunity to pass the Sea Cadet Swimming test, please see the Daily Orders for a full breakdown of the weekend which will be on display within the Sea Cadet Unit.

For those cadets that cannot attend the whole weekend that would like to attend part of the weekend we will need to be advised of their times of attendance as some activities are off our unit premises.

The cost for the weekend will be £12.00. Any money left over will go into the unit training fund. For any cadets attending only part of the weekend the cost will be £5 with an additional £2 for swimming where applicable.

Please find enclosed a Kit List for the weekend.
